## **EDUCATION**

---

### **Diplomate International Board of Electrodiagnosis**

International Board of Electrodiagnosis, Port Orange, FL 2005

### **Doctor of Chiropractic**

New York Chiropractic College, Seneca Falls, NY 2003

### **Bachelor of Arts**

Rutgers University, New Brunswick, NJ 1999

Major: Pre-med/Anthropology

## **PROFESSIONAL EXPERIENCE**

---

### **Chiropractic Physician 2003-Present**

Orlando, Florida

- Chiropractic physician in practice with Wayne C. Wolfson D.C., Regional Chiropractic Group.
- Primary practice focus on neuromusculoskeletal pathology & Spanish speaking population.
- Full incorporation into clinical setting of electrodiagnostic testing and evaluation consisting of needle EMG, and NCV studies (motor, sensory, H-reflex, F-waves, evoked potentials). Main focus on radiculopathies and peripheral neuropathies.

### **Electrodiagnosis Externship 2003**

Seneca Falls NY Neurophysiology Laboratory, New York Chiropractic College

- Externship program with sole emphasis in electrodiagnosis and its performance of needle EMG studies and nerve conduction studies (motor, sensory, H-reflex, F-waves, evoked potentials).
- Application of electrodiagnostic evaluations and performance in clinical and research settings.
- Under the guidance of Dr. Donald J. Dishman, New York Chiropractic College.

### **Chiropractic Medicine Internship & Externship 2002/03**

Seneca Falls and Syracuse NY Health Centers, New York Chiropractic College

- Practiced chiropractic in multi-DC supervised clinic.
- Examined, diagnosed, and treated patients through spinal and extremity manipulation/adjustments (Diversified, Drop Table, Flexion/Distrraction, Pelvic Blocking), therapeutic treatments and education.
- Interacted professionally with patients and family members to encourage sound health care practices.
- Treated sole speaking Spanish patients (fluent in Spanish).

## CONTINUING DEVELOPMENT

---

### **Electrodiagnosis**

Board Certification and Diplomate status within the field of electrodiagnosis (300 hours).

Post-graduate certification program co-sponsored by New York Chiropractic College. Program entailed performing nerve conduction studies (motor, sensory, H-reflex, F-waves, evoked potentials), needle EMG studies, and clinical interpretation/report writing/reimbursement/coding.

### **Activator Methods Technique**

Workshop explaining the principles and equipment specifications for Activator Basic Technique practice, including hands-on application.

### **Impairment Rating For Disability**

Introduction and review of the A.M.A.'s Guide to the Evaluation of Permanent Impairment. Dedicated to the understanding methods of the ratings of spinal impairment, upper and lower extremities, motor/sensory impairment, record keeping and medical legal situations as described by the AMA's Guides to the Evaluation of Permanent Impairment.

### **Chiropractic Neurology Diplomate Program**

Currently in progress. Diplomate program in Chiropractic Neurology sponsored by New York Chiropractic College/North Western Health Sciences University. Upon completion and successful passing of board examination will be granted board certification and diplomate status within the field of chiropractic neurology.
