In order to renew your Iowa Chiropractic license you must complete specific continuing education topics every two years, including Iowa Code, Professional Ethics and DHS Abuse Recognition. For the last fifteen years, Dr. Ferezy has brought you the "Iowa Chiropractic License Renewal Seminar"

where he has provided these hours in one place. Dr. Ferezy has performed hundreds of educa-

tional classes, nationally and internationally, but this is the only one IN IOWA SPECIFICALLY FOR IOWA CHIROPRACTORS. The result is a first class professional presentation and environment, coupled with clear, concise, well-researched information presented in Dr. Ferezy's usual entertaining style. No wonder this class is a favorite for hundreds of Iowa Chiropractors year after year.
